

The Cube™ Conceptual Design & Engineering

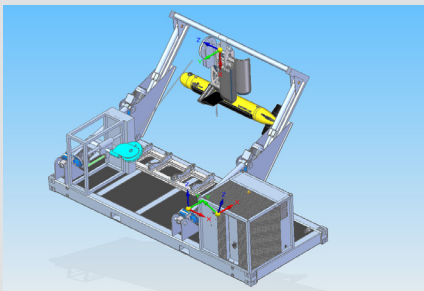

BASIC

Conceptual Design

- Engineering Ready Cube™ Solution
- 3D Concept Model
- Cube™ Certified

COURSE OF ACTION

- Define equipment specifications
- Verify received CAD models
- Iterative Cube™ Solution Modeling
- Cube™ Model Rendering
- Create marketing material

Approx. 10.000 €

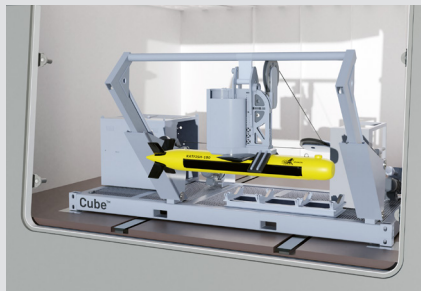

OPTIONAL

Solution Animation

- Animated Cube™ with equipment (30-60 sec)
- Mission profile based
- User oriented scenario

COURSE OF ACTION

- Define storyboard
- Verify CAD model
- Iterative animation process
- Add text and subtitles
- Decide campaign and when to use and show the animation.

Approx. 6.000 €

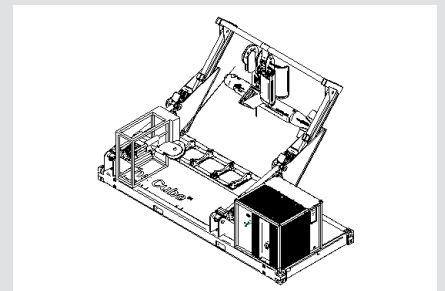

OPTIONAL

Solution Engineering

- Production ready Cube™
- Third Party design approval
- Equipment integration ready

COURSE OF ACTION

- Define and verify equipment interfaces
- Create assembly drawings
- Create electrical drawings
- Create hydraulic drawings
- Modeling & Simulation
- Obtain third party approvals

Approx. 55.000 €

Final agreement

The above should be seen as an example. Price and circumstances will be agreed upon at the conclusion of the agreement.
